ing forward is the arrival of the yachts comprising the New York Yacht Club, which will rendezvous here on August 16. The yachts to the number of a hundred or more, anchor off the hotels, and the harbor during the visit of the floating palaces presents one of the most beautiful sights imaginable. In the evening the vessels are illuminated by hundreds of colored lights. Fireworks, receptions and balls at the hotels add to the scene of gayety.

The Arion Society of New York will hold their midsummer music festival here this month. Two hundred and thirty members will attend, and a grand treat is in store for the summer colonists.

August has opened very auspiciously and the hotels are booked for nearly their full complements for the remainder of the scason. A number of St. Louis people have engaged rooms for the latter part of August and first part of September.

With the aid of the summer gardens, such | Byrns, No. 3339 Illinois avenue. Among of society as remains in town managed to while away the last seven days in comparative comfort and considerable pleasure. The hot nights of last week drove crowds out to the suburban resorts, and the everpopular "Il Trovatore" at the Cave reaped its own reward as well, with large audi-

ences nightly. August, in the last few years, has become the approved month of the summer for traveling. Comparatively few St. Louisans who have but four or six weeks for an outing, or even a shorter time, care to eave town much before dog days have set in; and the near-by resorts, especially those of the lakes, invariably reap their richest harvest at this time.

Last week witnessed the departure o nearly everybody who contemplates a trip this summer, and the residence sections of town present a somber appearance, with tightly drawn black blinds at all the win-

The fashionables at this exclusive resort are said to be givng their entire time and attention to the fascinations of this game, and the fact that they never play for low stakes heightens the interest.

Each resort has its own little fads and fancies-some of them new and interesting, Henry Wagonbreth, Edward Durgan, and others old, but ever popular. Golf appears to reign supreme at Wequetonsing and the nine resorts around Little Traverse Bay. The uncertainty of the weather on the great lakes makes yachting a trifle precarlous, and while some few St. Louisans up North own their boats and enjoy the water, yet the majority prefer to keep

ashore, where 'tis safer. On the Eastern seacoast there is less On the Eastern seacoast there is less danger; and the Jamestown contingent this season has taken to boats and boating with a vengeance. Mr. and Mrs. Lacey Crawford, who are spending their first summer on Shoreby Hill, have recently acquired a new and natty Hitle yacht, and Mrs. Crawford's yachting garb is declared to be most attractive and becoming.

And a single anointing with CUTICURA. purest of emollients and greatest of skin cures. This is the purest, sweetest, most speedy, permanent, and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted, and pimply skin and scalp humors with loss of hair, of infants and children, and is sure to succeed when all other remedies fail.

Millions of Women Use Cuticura Soap

Exclusively for preserving, purifying, and beautifying the skin, for cleansing the ing, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. Curr-CURA SOAR combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated or toilet scap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, the BEST toilet soap and BEST baby soap in the world.
